*TO REDEEM: Qualifying purchases must be from authorized Kuraray/Noritake Dental dealers. A list of authorized Kuraray/Noritake Dental dealers can be found at kuraraydental.com. Please send a copy of your qualifying invoice by email to promotional.goods@kuraray.com. Remember to provide the promo code for the promotion you are applying for, as well as your promotional goods choice. If no selection is indicated, default promotion will apply. Promotional item must be the same value as the least expensive item purchased. Promotions cannot be combined with multiple dealers / invoices / other promotions. All qualifying products must be purchased on ONE SINGLE INVOICE. Promotional Goods offer subject to change. Invoice must be dated 7/1/22 - 9/30/22. Qualifying invoices must be received no later than 10/31/22. *For CLEARFILL MAJESTY Promotions, please specify which Shade Refill and delivery system (Syringe or PCT) you prefer. If no choice is indicated, the promotional CLEARFILL MAJESTY selection will be at our discretion. No substitutions. Allow approximately 6-8 weeks for PROMOTION GOODS fulfillment. Specials are valid in US and CANADA only. Other restrictions may apply.

Participation is not permitted for customers who participate in any other pricing programs, including government, group practices, special markets, community health centers, schools, institutions, and discount customers. Receipt of free goods, after rebate, cannot be combined with other offers or promotions.

CARE FOR YOUR HEALTH

PROUDLY MADE IN CANADA

D2 is a proudly Canadian company. As such, we manufacture our masks in Canada. By keeping the production of our masks in Canada, we can maintain our high manufacturing standards while contributing to local job growth.

As an established brand, we have an existing array of products and we continue to expand our selection. We ethically source products from manufacturers, both in Canada and abroad, that uphold our same values and principles of workplace conditions and business conduct and are able to maintain our high manufacturing standards.

*Prices shown are list prices and are subject to trade discount and to change without notice. Prices may also be changed without notice due to unforeseen cost increases or decrease of imported products, raw materials, or currency fluctuations. Some variations between picture and product may occur. Some products listed may be non-stock items.

Cosmetic Dentistry for the Entire Team

**October 21st, 2022 (for all team members)
8:00 AM - 1:00 PM**

**October 22nd, 2022 (for Dentists and Dental Assistants)
8:30 AM - 4:00 PM**

91 Granton Drive, Richmond Hill, ON L4B 2N5

DR. RON GOODLIN

Instructor

Upon Graduation from the University of Toronto Faculty of Dentistry, Ron concentrated his career on Cosmetic Dentistry, all the while maintaining a sideline business in photography. Ron was instrumental in the creation of the Canadian Academy of Cosmetic Dentistry, rose to the Presidency of the Toronto Academy of Cosmetic Dentistry and later became one of only 3 Canadians to ever rise to the level of President of the American Academy of Cosmetic Dentistry as one of only a few achieving AACD accreditation.

YOU WILL LEARN

Day 1 of this Course will be a half day for the entire team (8:00 AM- 1:00 PM EST)

Part I of this course will be held live at our location and will include the following topics:

- Why should we do cosmetic dentistry in our practice, value for patients and practice.
- How to recognize Cosmetic Dental concerns; what kinds of situations we see, how we approach the patient and what procedures are available to improve the smile.
- Clinical Cosmetic situations and the Techniques to improve them.
- Systems to make sure we have happy patients and a happy profitable practice.

Day 2 of this course will be a full day hands on veneer program (8:30 AM – 4:00 PM) for Dentists and Assistants ONLY

Part II of this course will be held live at our location and will include the following topics:

- Understand the concepts of occlusion and longevity of cosmetic cases.
- Understand the concepts of minimally invasive veneers.
- Learn how to co diagnose with your patient, treatment plan and get almost 100% treatment plan acceptance.
- Learn how to prepare your patient for their cosmetic treatment.
- Learn how to prep and bond the teeth for maximum strength and durability of veneers.

Dentists will earn **12 CE Credits** and Registered Dental Hygienists will earn **5 hours** by the completion of this course.

THE FUNDAMENTALS OF IMPLANT DENTISTRY

Powered by: BioHorizons

Dr. Dan Hagi

DDS, FAGD, FICOI, (a)FAAID, FMIII

The Fundamentals of Implant Dentistry with Dr. Dan Hagi

This program includes all important aspects of implant dentistry:

- Diagnosis and treatment planning
- Implant surgery
- Implant prosthodontics
- Prevention and management of implant complications

At the end of the didactic program, the hands-on session will allow participants to:

- Refine their skills in comprehensive treatment planning
- Advanced implant surgical procedures including localized bone augmentation
- Restoration and after care of simple and advanced cases involving dental implants.

The online and hands-on component of the program are eligible for 72 PACE approved hours, fulfilling the RCDSO and most other jurisdictions requirements for placing and restoring dental implants.

COSMETIC DENTISTRY SMILE DESIGN

ONLINE COURSE

Meet Your Instructor!

Dr. Ron Goodlin

DDS, AACD, FAGD, FIADFA

Born in Montreal Canada, Ron spent his summers in the Algonquin Park region of Ontario where he developed a love for wildlife and nature. During high school he was introduced to photography and has carried that with him throughout his lifetime. He graduated from the New York Institute of Photography, and subsequently attended the University of Toronto and was accepted to the Faculty of Dentistry. Upon Graduation from the University of Toronto Faculty of Dentistry, Ron concentrated his career on Cosmetic Dentistry, all the while maintaining a sideline business in photography. Ron was instrumental in the creation of the Canadian Academy of Cosmetic Dentistry, rose to the Presidency of the Toronto Academy of Cosmetic Dentistry and later became one of only 3 Canadians to ever rise to the level of President of the American Academy of Cosmetic Dentistry as one of only a few achieving AACD accreditation.

Course Description

Have you ever done a cosmetic case and the patient was not happy with the results, it did not look right, and you had to remake the case at great expense?

Learning the principles of smile design is critical in being able to produce consistent cosmetic results that the patient will love! Dr Goodlin will take you through what makes a great smile and how to produce winning smiles for your patients.

Learning Objective

1. Understand the parameters of what makes a pleasing aesthetic smile.
2. Learn how to analyze your patient's existing smile using digital photography and simple digital smile design techniques to create a treatment plan.
3. Understand how to evaluate the occlusal forces to ensure case longevity.
4. Learn the trial smile technique to ensure your patient is happy with their results before you even begin!
5. Learn practice management and communication techniques to manage toe cosmetic patient.
6. Learn how to communicate with your lab technicians so they can create the required restorations.

TERMS AND CONDITIONS / REFUND POLICY

ORDER ACCEPTANCE: All orders received by Dens 'N Dente Healthcare are subject to final acceptance or confirmation by Dens 'N Dente Healthcare. No orders placed are binding upon Dens 'N Dente Healthcare until so accepted.

PAYMENT AND CHARGES: FULL PAYMENT IS DUE ON OR BEFORE THE ORDER SHIPMENT DATE. Only the cost of missing or defective items may be delayed from full payment. If you require payment terms, please contact our Customer Service team at orders@densdente.ca to discuss options.

SHIPPING CHARGES: Shipping and handling charges may apply to your order. Please contact your Account Coordinator or our Customer Service team at orders@densdente.ca to confirm shipping and handling rates. Dens 'N Dente Healthcare is not responsible for delays in delivery due to causes, directly or indirectly, beyond our reasonable control. Orders are normally processed and shipped within twenty-four (24) hours of receipt. Delivery is normally the next day or within two days of an order being shipped.

CANCELLATION: Special order items or options, including, but not limited to custom cabinetry, upholstery, and color changes cannot be cancelled. Certain special order items may be cancelled subject to a 20% restocking fee. Please contact your Account Coordinator or our Customer Service team at orders@densdente.ca for more information.

PRICES: Unless otherwise indicated, prices displayed are quoted in Canadian Dollars. Prices are subject to change at any time and without notice. Price increases may be passed on in the event of manufacturer or supplier price increases, currency exchange rate fluctuations, and extraordinary circumstances.

RETURNS: If you receive a defective product or one that does not perform satisfactorily, Dens 'N Dente Healthcare will provide a credit, exchange, or refund. Items must be returned within thirty (30) days of receipt of your order in order to qualify for a credit, exchange or refund. To arrange a return, please contact your Account Coordinator or our Customer Service team at orders@densdente.ca.

Please check your order immediately upon receipt. If there is any damage in transit or issues with your order, please contact your Account Coordinator or our Customer Service team at orders@densdente.ca within three (3) business days of receipt of your order.

To arrange a return, please contact your Account Coordinator or our Customer Service team at orders@densdente.ca. In the event that you have received wrong, damaged, or defective items, Dens 'N Dente will arrange for a pick-up to exchange your items at no additional cost. Outside of returns for wrong, damaged, or defective items, you are responsible for all shipping costs to return an order to Dens 'N Dente Healthcare.

THE FOLLOWING ITEMS ARE NOT ELIGIBLE FOR A RETURN: Opened handpieces and small equipment, Special order items that are not ordinarily in stock (including custom ordered stock), Expired products, Opened hardware or software, Personalized items, Items that cannot be returned to the manufacturer, Personal protective equipment.

TAXES: Taxes are charged based on applicable federal, provincial, and harmonized sales tax rates. The prices quoted on the Site do not include any taxes. Where required, taxes will also be applied to the shipping and handling charges. If you return an item for a refund, you will also receive a refund for the sales tax applicable to the refund amount. You will not receive a refund for the sales taxes paid on the shipping and handling of an item because the shipping and handling charges are non-refundable once an item has shipped.

If you are making a purchase for a tax-exempt organization or are an individual that qualifies for a tax exemption, please contact our Customer Service team at orders@densdente.ca to ensure compliance with provincial and federal tax laws, all requested forms and information must be received and verified by our Customer Service team before a tax refund can be processed.

GIFTCARDS: If an order qualifies for a gift card and part of the order is returned, the value of the gift card will be deducted from the amount of the refund or you may order additional items to meet the threshold to qualify for the gift card.

EQUIPMENT ORDERS: A deposit of twenty-five percent (25%) is required for all equipment orders. The balance of payment is due upon delivery of the equipment. Dens 'N Dente Healthcare retains title of the items until the order is paid in full. The purchaser assumes all the risks related to the items once they have been delivered. It is the purchaser's responsibility to have all necessary insurance in place prior to delivery and installation. Dens 'N Dente Healthcare can arrange for installation for a fee. All pre-installation requirements must be met before the installation can take place. Re-installation requirements include, but are not limited to, construction, plumbing, electrical, and permits. Dens 'N Dente Healthcare reserves the right to charge extra for work done during evenings, weekends or statutory holidays, and for installations outside our regular service area. Dens 'N Dente Healthcare warrants labour for sixty (60) days from installation date unless otherwise stated. Please contact your Account Coordinator or our Customer Service team at orders@densdente.ca to discuss equipment orders and installation fees.
